## MESSAGE BY

Abhishek Dev  
Chairman  
APEDA

It is my pleasure to extend a warm welcome to all participants, exhibitors, exporters, FPOs/ FPCs and visitors to SIAL Mumbai 2025 scheduled to take place from 28th to 30th August, 2025 at the Jio World Convention Centre, Mumbai.

India's agriculture and food processing sector continues to be a key pillar of our economy, showcasing sustained growth, resilience and innovation despite geopolitical headwinds. The sector has witnessed significant growth in recent years, elevating its globally ranking at the 7th position with a 2.3% share in agricultural exports. In CY 2024, India exported USD 51.08 billion worth of agricultural products to the world. Notably, the Agricultural and Processed Food Products Export Development Authority (APEDA) played a pivotal role, contributing 54.13% to the country's total agri-exports.

I am happy to state that the value of India's Organic exports have also increased from USD 494.80 million in FY 2023-24 to USD 666 million in FY 2024-25, registering a 34.60% growth in value. Export volumes have risen by 41.04%, reaching 368,155.04 MT compared to 261,029.07 MT in the previous year.

Through targeted initiatives such as the One District One Product (ODOP) scheme, promotion of Geographical Indication (GI) tagged products, revision of the National Programme for Organic Production (8th Edition, NPOP) and strategic market access interventions, APEDA has been actively working to take Indian agri-products to newer markets and broader global recognition. Today, Indian food products are reaching consumers in more than 205 countries and territories, symbolizing quality, sustainability and diversity.

APEDA is co-organising SIAL Mumbai 2025 which aims to serve as a vital platform that brings together global and domestic stakeholders of the food and beverage industry from across the globe. The event serves not only as a showcase of India's agri-food potential but also as a springboard for building meaningful partnerships, exploring innovations and tapping into emerging trends that are shaping the future of global food trade.

I extend my best wishes to all participants and stakeholders for a successful and enriching experience at SIAL Mumbai 2025. May this event forge meaningful collaborations, inspire innovation and pave the way for shared growth in the global food ecosystem.

## MESSAGE BY

Rajan Sharma  
Managing Director  
Inter Ads VNS

It gives me immense pleasure to welcome you to the launch edition of SIAL Mumbai 2025, taking place at the prestigious Jio World Convention Centre.

SIAL has always stood as a global platform that celebrates innovation, diversity, and excellence in the food and beverage industry. With this new edition in Mumbai, we are proud to bring the spirit of SIAL to India's financial capital, connecting businesses, brands, and buyers from across the globe.

This show marks not just a beginning, but a milestone — an opportunity for collaboration, knowledge exchange, and growth. We are excited to witness the unveiling of innovative products, pathbreaking trends, and inspiring conversations that will shape the future of the industry.

On behalf of the entire team, I extend a warm welcome to all our exhibitors, partners, and visitors. Thank you for joining us on this exciting journey, and for being a part of the launch of SIAL Mumbai.

We look forward to three days of fruitful networking, meaningful partnerships, and memorable experiences.

Warm regards,  
Rajan Sharma  
Managing Director  
Inter Ads VNS

## MESSAGE BY

Nicolas Trentesaux,  
CEO  
SIAL Network

Dear participants,

India is now one of the world's most promising food markets. With a rapidly growing urban population, a growing middle class, and increasing openness to international products, the country is undergoing a rapid transformation in its consumption habits.

Among India's major cities, Mumbai stands out as a key economic and logistics hub, where major retailers, restaurant chains, importers, and investors all converge.

Against this backdrop, the launch of SIAL India in Mumbai responds to a clear ambition: to connect global food industry players to a high-potential market, drawing on the strength of a recognized network: SIAL Network.

Present on four continents, with leading trade shows in Paris, Shanghai, Shenzhen, Montreal, Toronto, Kuala Lumpur, Jakarta and New Delhi, SIAL Network is the world's largest network dedicated to the professional food industry. Every year, it supports thousands of companies in their international development, while revealing the product innovations and trends that shape the food of tomorrow.

SIAL Mumbai, complementing New Delhi, thus strengthens the Network's strategic coverage in South Asia. This new event aims to offer a high value-added business platform at the crossroads of the sector's major challenges: sourcing, innovation, distribution, and food transition.

I wish you all a trade show full of discoveries, encounters, and, above all, business. Thank you to our partners, our exhibitors for their trust, and our growing community in India and beyond.

Nicolas Trentesaux, CEO SIAL Network

The background of the entire poster is a solid green color. Scattered around the text are several kiwi fruits. Some are whole, showing their brown, fuzzy skin, while others are sliced in half, revealing the bright green flesh and black seeds. The kiwis are positioned in the corners and along the sides of the frame, framing the central text.
